SGPH01EW4P

WiFi Smart Plug - 4 pack

WiFi-controlled Smart Plug with energy consumption monitoring

HIGHLIGHTS

Remotely turn devices on and off

Control via “Sharp Life” app

Monitor your energy consumption via the App

Communication - WiFi 2.4 GHz

Works with Alexa and Google Assistant

This device allows you to convert your non-smart devices into smart devices controlled by your smartphone. In addition, you can check the energy consumed by the connected device in the Smart Life app, giving you control over your electricity bill.
